Tanga Cement Constructs Dining Hall for Amani Centre of Children with Disabilities – Mvomero, Morogoro

Mvomero, Morogoro, 20 June 2011 – Tanga Cement Company Limited hands over a completed dining hall to Amani Centre of children with disabilities at Mvomero district in Morogoro region. The Company spent about Tzs57 million in the construction and furnishing of this facility.

Speaking at the ceremony, Tanga Cement Company Limited's Managing Director Mr. Erik Westerberg said "the Company has done this to ensure these children's meals are prepared and served in a clean and safer environment". He said that his company was able to support this centre through its Corporate Social Investment program where it sets aside 1% of its pre-tax profit.

Last year (2010) the company spent a total of Tzs221 million on Health, Education, Community development and Environment. This year the company has already spent a total of Tzs148 million on various community projects in Tanzania.
